## ***CHA CHA'S CORNER***

**The Motley Crew**  
Dance Troupe did a  
great job of dancing a  
hot Salsa at the Gemini  
Salsa Competition on  
Friday night, June 12.

**Our Studio was**  
**crazy** because the Crew  
taught their regular  
Friday night Casino  
Rueda classes all dressed  
in their costumes, since  
they had to perform at the Tiffany center. There  
was so much going on between all these bright  
colors the girls put on their eyes and all the  
sparkly stuff in their hair, I had trouble  
recognizing them but I knew them as soon as  
they spoke. They were so busy no one wanted to  
play ball with me. I lay around pouting with my  
head flat on the floor trying to look really pitiful  
until someone felt sorry for me and threw my  
ball.

**I don't understand** why they like dancing so  
much. It's a lot of work. They get all sweaty and  
tired from practicing and go home and then the  
next day or so they're back to sweat more. Lying  
around on pillows, coats and sweaters, relaxing  
and taking a couple of naps after lunch and  
dinner is more my style. I prefer to look beautiful  
and schmooze all the ladies and I am  
exceptionally good at it.

**So I have to do a few tricks** for my chicken  
snacks...its no big deal. I've got spins and the  
bunny hop down to an art. No matter how many  
times I do those stupid tricks they all act like it's  
the first time they have seen them. Sometimes  
people tell me I am the most spoiled dog on this  
earth. I don't know about that, but I do know I  
am one of the luckiest. I have so many people  
that have told me I am the cutest dog on earth...I  
probably am !!!
